

Al Qaim Engineering Services LLC

Doc.No: AQS-QUA-POL-003-R1

ENVIRONMENT POLICY

We are committed to the principles of environmental sustainability and prevention of pollution and thereby we are committed in conducting all of its operations in an environmentally responsible manner.

We contribute in a meaningful and beneficial way to the environment in which we operate to ensure sustainability. We achieve continual improvement as we grows in experience and our environmental management system develops procedures, programs and technologies which will be used to improve our environmental performance.

We strive to integrate environmental considerations into all business decisions and committed to comply with applicable legal requirements. We regularly review our environmental performance to ensure that it is current and relevant to our business and the needs of our interested valuable clients.
